Lively Family Register

Preface

I will begin by saying that I am not a descendant of the Lively family. I have been preparing genealogies of many Halifax and Hants County families I do descend from (www.gofffamilyhistory.ca) and I started tracking the Lively family in Gays River due to marriages with the McMullen family from whom I do descend, also overlap with McPhees and Kilcups, amongst others. John V. Duncanson had a description of Reuben Lively, the original grantee from North Carolina in Rawdon in 1784. From there, my research kept growing and this report is the result.

Some of Reuben's grandchildren settled in Shubenacadie, Gays River, Gore and other places in Hants County, and also notably to Beaver Bank in Halifax County, from who descend a large number of Lively's that stayed in Beaver Bank for several generations.

Any errors or additions are always welcome! Please contact me.

From Duncanson, Rawdon and Douglas:

On August 3, 1784, a grant of 24,500 acres was made in Rawdon township, Nova Scotia to 57 settlers, "most of whom were loyalist refugees from the old 96th District. This grant is sometimes referred to as "The Bond Grant" after Captain James Bond, one of the settlers from the 96th District, and a recognized leader among the Rawdon settlers. Reuben Lively of the 96th received 500 acres in this grant.

Reuben Lively, loyalist claim #104 dated July 1786 stated that he was a native of America, settled in the 96th District of South Carolina in 1775. He avoided service with the Americans by being under age; served with them for 6 months but only against the Indians. His father was friendly to Great Britain but was killed by the rebels in 1781. Reuben joined the British at the 96th District post after the taking of Charleston by the British in the autumn of 1779 and served in the militia until the fall of the 96th District. He had 250 acres in the 96th District from his wife. They were married in 1780, her family was named Cameron. He also had 200 acres from his wife valued at 10 shillings per acre. Had 15 horses, 30 cattle, 6 negroes, all lost to the Americans.

It is very interesting to find Elizabeth Lively married to James McDougall Jr. of Cheverie. There were three intermarriages between McDougall's of Kempt, James Sr. and his siblings Daniel and Mary Ann, with McMullin's of Antrim, siblings or cousins of Mary Lively. Thus, James Jr. and Elizabeth may have been first cousins, or 2nd cousins.

A wife, a mother, a Nana, a teacher, and a friend, Maxine dove endlessly into community projects and committees. Guiding including Brownies, St. Thomas Anglican Church Outreach Programs including St. George's Soup Kitchen and Sunday School, Keloose Fairs, and LWF Ratepayers Association. One service that perhaps surpassed any was her love and dedication to children. Kirby Francis Stapleton, 21 SEPTEMBER, 1953 – 30 APRIL, 2024. On April 30, 2024, surrounded by his three girls, we lost the love of our lives, husband, father, step-father, Papa, Kirby Francis Stapleton, age 70, following a brief but hard-fought battle with cancer. Kirby was the son of the late John and Annie Mae Stapleton of Mira Road. He met and married the love of his life, Pat, over 30 years ago. Besides Pat, Kirby is survived by his daughters Amanda (Brian) Walker and Jocelyn Stapleton and two step sons Jimmy (Brenda) DeLeskie and

Jean Marc DeLeskie. Kirby adored his seven grandchildren Finn, Isla, Rory, Cashton, Clara, Kaleb and Jean Patrick, and he lived for every minute he was able to spend with them. He is also survived by his siblings Joan (Leo) MacLeod, Lorne, Allan, Carl (Alma), Vernon, Cheryl (Kevin) and Rick (Amanda), sister-in-law Kay as well as numerous nieces and nephews. Besides his parents, he was predeceased by his brothers Joseph "Bucky", Gerald, Thomas, Dennis and Leo. He had a varied career and always brought his best self to each role. In the 70's, he was the owner/operator of the Big Dipper Ice Cream stand in the Sydney Shopping Centre. From there he worked for JW Rudderham Ltd., while also owning and operating James Pizzeria in Sydney with his brother, Allan. After Rudderham's he worked as an agent and manager at London Life Insurance in Sydney. Kirby then took a job with Comstock Canada in Halifax before finally landing his dream position as the Operations Manager at Advanced Glazings Ltd. A position he held right up until his recent illness. Kirby had a love for nature and the outdoors and would enjoy getting out for a walk, going fishing with his grandson or just enjoying nature. He loved spending time at home with family, listening to an eclectic array of music, and his absolute favourite holiday was Christmas; Kirby is well-known for his perfectionism in finding and decorating the Christmas tree every year. He was never without his camera and enjoyed seeing the world through the perfect lens. Though small in stature, Kirby loved to eat. He particularly loved ice cream, trying new cuisines from around the world, and he thoroughly enjoyed Pat's cooking at home. Following a major surgery and subsequent treatment for cancer 10 years ago, his doctors deemed him the "miracle man" and he started a new lease on life, traveling with Pat. They visited many places, and Kirby especially enjoyed travelling to Europe.

Lively, Burtis Frank, Lake Echo. It is with great sorrow that we announce the passing of our beloved husband, Dad, Grandad on his 87th birthday, May 26th 2020. His struggle with dementia for seven years is now over. Born in Lantz, Nova-Scotia on May 26th 1933, he was the son of the late Elsworth and Gladys (MacHardie) Lively. One of his early and difficult projects was laying out the bond for the octagon bank, at the corner of Coburg and Robie Street in Halifax. After many years of working for private contractors he struck out on his own, Burtis Lively Masonry. He mentored many apprentices, including his son Joe. After years of having a successful business, he hung up his trowels and spent many years travelling in his motorhome with his sweetheart, Elsie, pets in tow whom he adored, attending music festivals and jams throughout Nova-Scotia. He had nicknames for each of his grandchildren, who will miss all the checkers games and his playful spirit. He was really proud of attending Blue Jays and Toronto Maple Leafs games with his son-in-law Rob. He enjoyed listening to life stories from his brother-in-law Harry, which made him laugh. He loved watching Leafs games on TV with his friend Nellie and a cold beer. Burt will be sadly missed by his loving wife Elsie (McMullen), daughter's Sylvia (Phillip) Ready, Yarmouth, Sandra Lively, Lake Echo, son Joe (Stacey) Lively, Lake Echo, daughter Sheila (Rob) Platt, Oakville Ont. Walter Ronald married **Dorothy Mae Meagher**.

LIVELY, Dorothy Mae "Dottie" - 83, Beaver Bank. It is with profound sadness that we announce the death of our mother on Tuesday, March 6, 2007, in Hants Community Hospital. Born in Halifax, she was the daughter of the late John and Catherine (Hardiman) Meagher. She moved to Beaver Bank in 1930, where she spent the remainder of her life until the past years saw her having to leave her home. She suffered much hardship in her life, losing her first husband at age 21 to the Second World War, she was left to raise her daughter, Carol Ann, who she loved so. With the help of her wonderful parents, she was able to persevere until her "prince" came along. She went to school with her second husband, Walter Lively, from the time she arrived in Beaver Bank. They grew up together, spending winters sliding down Browns' Hill and summers swimming and fishing at the Deephole. They married in 1960 and Carol finally got a baby sister, Jo-Anne, who was loved from the day she was born. Walter and Dottie knew each other for 72 years, spending 44 glorious married years together. Whether it was watching their first grandson, Ricky, grow to become a fine businessman and father, traveling to watch their granddaughter, Trina, sing on various stages, sitting in cold rinks to watch grandson, Ben, play hockey, or listening to grandson, Gregg, play his guitar, Grammie and Granddad could always be counted on to be wherever their grandchildren were to love and support them. Mom enjoyed spending time in her garden with her flowers, bingo adventures, doing crafts and spending time with her family that she so adored. After losing her love in 2005, Mom was never quite the same, we got small parts of her back just after summer began, only to lose her again to a debilitating stroke in 2006. Mom is now finally at rest in Heaven with Dad, and we know that they are watching over and loving us still. She was the last surviving member of her immediate family. Dottie is survived by daughters, Carol Ann and husband Bob Frank, Beaver Bank, Bob was always there for Mom, whatever it was - to take her to the casino or fix what was broken; Jo-Anne and husband Michael Pasha, Halifax, Michael was Mom's "bingo buddy" and chauffeur to all sporting events. She is also survived by grandchildren, Ricky Fredericks, Grand Lake; Trina and her husband Shane Kirk, Waverley; Ben Pasha, Waterloo; and Gregg Pasha, Halifax; great-grandchildren, Evan Fredericks, Alberta; Mercedez and Kassidy

Dale grew up on a farm in Lindsay Lake, Nova Scotia, with his grandfather, William Martin Redden, and uncle and aunt, the late John and Agnes Redden, who raised Dale as an older brother to their children Bertha (Harold) Isenor, Jack (Dena) Redden, Elizabeth Harrison, and Marilyn (Michael) McFetridge. After graduating from Middle Musquodoboit Rural High School, Dale joined the Royal Canadian Mounted Police (RCMP) and was stationed in various locations in Newfoundland and Labrador, New Brunswick, and Ottawa. Dale met Dixie in Chatham, New Brunswick, and they were married in St. Michael's Basilica in 1961. Wanting to raise their three children on the East Coast, Dale and Dixie returned to St. Andrews and bought their forever home by the sea. Dale retired from the RCMP and founded the LIVLEA Shop on Water Street, which sold goods and services for over 20 years. He treated customers and the people who worked in the store as family, and enjoyed participating in the community. Dale and Dixie also had the great fortune of describing Barbados as their second home, developing a strong community of friends, and hosting their family on visits. Always a man of many personal and professional interests, Dale was active in business and political organizations at the local, provincial, and national level. After his second retirement, he was active in the RCMP Veterans' Association, working to support veterans and their families, and ultimately served as provincial and later national president. Dale also served as honorary Aide de Camp to the New Brunswick Lieutenant Governor for several years. Dale lived life with purpose and levity, whether travelling the world or gardening at home. The Musquodobit lifestyle of Dale's early years was influential. He passed on aspects of that culture to his

children and grandchildren, including a love for nature, jam-making, and card games, particularly 45s. His dinner-time stories, usually accompanied by a cup of black tea and laughter, will be remembered fondly. Dale always stayed true to his roots, and as he himself said to close friends, never quite getting the straw from between his toes.

December 29, 1931 in MacPhee's Corner, a place he loved and returned to as recently as this summer to see the corn fields. Alden was a hardworking, kind and unassuming man. He had a ready smile and enjoyed a good laugh. Always ready to lend a hand to family, friends and neighbors, he was a valued member of the community of Shubenacadie where he lived most of his life. In his youth, he worked in the woods in logging camps. Upon his marriage he began a career at Shaw Brick in Lantz, where for 43 years until his retirement it was a position of mutual respect. Alden was noted for his calm approach at work and made many lifetime friends. Alden was devoted to his wife Roslyn and his children. As Leonard and Sharon lived only 10 minutes away, Alden was a regular visitor and enjoyed helping out on their property. He loved and cared for many cats and dogs over the years, most recently his cat Marco, but his passion was horses, especially draft horses and particularly Belgians. For many years he faithfully cared for both his horse Shaun and Sharon's horse Rusty.

Kathleen MacPhee. Born in 1932 in MacPhee's Corner, Hants Co., NS. Kathleen died in Milford Station, Hants Co., NS, on 25 Jan 2024; she was 92.

KELLOUGH, Kathleen Marie, better known as "**Babe**" - age 91, of Milford. In the wee hours of January 25, 2024 Babe Kellough drew her final breath tucked away in her bed at home surrounded by her fur family. Born in MacPhee's Corner, she was the only daughter of the late Albert and Cleta (Lively) MacPhee. Mom was a kind and compassionate person. So proud of her children, grandchildren and great grandchildren. Her love for them shone through like a ray of sunshine beaming through on a cloudy day. Food was her love language. She was an old school cook who might have had the recipe book open, but I don't think she ever looked at it. Counter tops lined with bread and Tupperware containers filled to the brim with sweet treats. And don't forget the seasonal favourite - fruitcake! A big old farmhouse kitchen was the entertainment centre. Visitors would be seated around the table, and I think they would have been hard pressed to get out the door without having a cup of Red Rose along with a slice of homemade pie, cookie or doughnut. If that table could have talked it would tell you yummy times were had by all and how many games of crib dad had won. If mom was going "out" for a sweet treat - ice cream was her favourite and DQ was her stop of choice. Or a puppachino from Starbucks. The staff knew it was her when we would pull up to the speaker and order 2 pup cups 1 spoon. Collecting, grading and delivering eggs, along with raising a family, chasing a beef cow that

had escaped to see if the grass was really greener on the other side. Babe never stopped. Add to that cleaning and ironing no iron sheets -her days were full. When the cows and chickens were gone, she took time to enjoy some fun. Mom had a great sense of humour, broad smile and loved spending time with others. For years she would canvass her old neighbourhood in Shubenacadie. It was as much about the visit as it was about the collection. In 2014 she was recognized for her years of service by the Canadian Red Cross. She also gave bowling a go. Again it may have been about the socializing as it was about the bowling. As she left her 70's, Alzheimers came a calling. To help keep busy and sociable we signed her up for adult day programs with both VON and Northwood. She might hemm and ha about going but when we got to the door and a staff member was coming to greet her, that smile appeared spreading from ear to ear. A long time member of the United Church in Shubenacadie she cooked roasts for the fund raising dinners. Her faith was very important to her, saying her prayers every night before bed until the later stages of Alzheimer's took that part of her memory away. But, the disease never took away her love of music. She loved dancing to fiddle music, clapping hands, tapping feet and swaying along with the rhythm. Even the mechanical Santa that lived in the front window at Christmas made a great dancing partner. Over the last few months she enjoyed Apple Music on the tv. You would see her lips moving as she sang along, even if you didn't hear a voice. She is survived by daughters, Betty (Brian) MacPhee, Shubenacadie; Millie (Randy Marion) Cottrell, Wallaceburg, ON; Catherine Kellough, Milford; son, David (Joan), London, ON; grandchildren, Jo-Leigh MacPhee, Kentville; Mark (Crystal) MacPhee, Shubenacadie; Matthew Cottrell, Goodrich, ON; Douglas Cottrell, Ottawa, ON; great-grandchildren, Joshua and Brooklyn; several nieces and nephews. She was predeceased by her husband, Gordon, brothers, Paul and Alden.

Kathleen married **Gordon Russell Kellough**, son of **Isaac "Creighton" Kellough** (17 May 1885-5 Jun 1957) & **Janet Eulila Grant** (10 May 1887-26 Dec 1972). Born on 15 Nov 1928 in Belnan, Hants Co., NS. Gordon Russell died in Enfield, Hants Co., NS, on 16 Dec 2017; he was 89.

Kellough, Gordon Russell – of Shubenacadie, passed away peacefully in the wee hours of December 16, 2017 at the Magnolia Continuing Care Community, Enfield. Born at home, in Belnan, on November 15, 1928 he was a son of the late Janet (Grant-Britton) and Creighton Kellough. In 1949 he married the love of his life, Babe (Kathleen MacPhee) and together they bought a small farm in Shubenacadie. It was here they began their life together. Gordon was a successful poultry farmer and cattle buyer. After selling the poultry business, he continued to work in the poultry industry and to be a regular at the Thursday Cattle Auctions in Truro. Gordon enjoyed good food, good music, a game of cards or three, and spending time with family and friends. Gordon was predeceased by his parents; sister, Bessie Reid; half sisters, Hazel Lively, Mable Russell and Martha Blois; half brother, Henry Britton. Left to grieve are his loving wife of 68 years; daughters, Betty (Brian) MacPhee, Shubenacadie; Millie (Randy Marion) Cottrell, Wallaceburg, ON; Catherine Kellough, Milford; son, David (Joan), London, ON; grand children, Jo-Leigh MacPhee, Kentville; Mark (Crystal)

PEPPARD, Herbert George - July 7, 1920 - June 12, 2019. Our Hometown Hero, Herbert George Peppard, passed away peacefully on June 12, 2019, at the age of 98, surrounded by his three children. Herb, proud family man and lifelong resident of Nova Scotia, was born in Truro on July 7, 1920, the first son of Herbert and Ida (Henderson) Peppard. He was the loving husband of Greta (MacPhee) and father of Herb, Lark and Rosalee. Herb began his education across the street at Alice Street School, and was a lifelong learner, who with great determination, graduated with his B.Ed. from Dalhousie University in 1980. In the Second World War, Herb was a selected member of the First Canadian Parachute Battalion, and then a highly decorated commando in the undefeated Canada-USA First Special Service Force (FSSF, "Devil's Brigade") receiving the Silver Star for "Gallantry in Action" in the Italian Campaign. He returned to his beloved hometown, family and sweetheart. Herb and Greta married June 10, 1946 and were inseparable through the challenges of her battle with polio in the early 1950s. With the support of the people of Truro, they realized their dream of raising a family. As a teenager during the Depression, Herb worked at Spencer Brothers and Turner Ltd., and after the war he had an Electrical Contracting business. He also worked at the Canadian National Railway Express and the Post Office. From 1970 to his retirement in 1987, he worked as an Electrical Construction Teacher at the Lunenburg Regional Vocational School in Bridgewater. Countless clients, colleagues and students continually recount stories of Herb's positive impact on their lives and how he always had a smile and a song. Herb made friends of strangers, and family of friends, cherishing new and old friends alike. He lived a life filled with community service, writing, poetry, public speaking, music, weight lifting and body building. Herb threw his heart into his community, devoting over a quarter century of his retired life to volunteer service. Retirement saw him travel the world - Australia, Europe, The Great Wall of China, India's Taj Mahal, The Great Pyramids in Egypt - adventures galore - but his favourite holidays were with family and friends at his cottage on Amet Beach. Perhaps Herb is best known for his warm and engaging stories featured in his newspaper columns "Dispatches" in the Truro Daily News, and "Life's Journey" in Hub Now. In 1994, his poignant memoir, *The LightHearted Soldier: A Canadian's Exploits with the Black Devils in WWII* was published by Nimbus Publishing. i. **Albert William.** Born on 8 Apr 1938 in Truro, NS. Albert William died in Toronto, ON, on 17 Jul 2008; he was 70.

ALBERT WILLIAM FULTON JULY 17, 2008 Albert William Fulton was born in Truro, N.S. on April 8, 1938. He died in Toronto on July 17, 2008. Albert was the eldest child of Neil Seidmen Fulton (1900 - 1944) and Evelyn Jane (nee Wood) (1906 - 1985). He is survived by his wife of 46 years, Emily (nee van der Vaart), their sons Alexander of Toronto and Nathaniel of Margaretsville, N.S., his brother Laurie of Truro, his wife Mildred, and their children and grandchildren. He was predeceased by his sister Laurel (1941 - 1986). Albert enjoyed his schooling in Stewiacke and Amherst, N.S. and graduated from McGill University in 1958. He taught high school math and science in Carleton Place, Russell, near Ottawa, where he met the love of his life in 1961. Albert taught mostly math at Weston Collegiate Institute, retiring in 1988 to pursue historical interests. He was delighted to attend the 150th anniversary celebrations

Lively Family Register

at the school last October. During the summers, until 1967, Albert enjoyed riding his bike down the hill to U of T to mark the grade 13 departmental exams, an experience which resulted in his own students being better prepared to write exams. Albert's first historical project was the mounting of an exhibition by past and present Wychwood Park artists to celebrate the 100th anniversary of the founding of the Park in 1888. The subsequent half year was spent researching and writing, with Keith Miller, the 300-page book, *The Art of Wychwood*, copies of which are in the Toronto Public Library system. Albert's next project involved traveling to the Maritimes and New England to research his own family history. Two of his direct ancestors had arrived in Plymouth, Mass. in 1620 on the Mayflower. His research eventually led to an extensive library of the Mayflower and UEL descendants and 32 binders on his direct ancestors, mostly through about 10 generations. Albert was extremely proud of his parental grandfather and namesake, Albert David Fulton (1867 - 1936), the Town of Stewiacke voluntary photographer and historian who published the definitive history of the town in 1907. Some of Albert's most prized possessions were AD's photography equipment and glass plates, and AW always strove to follow in AD's footsteps, albeit in a different location. Aside from his wife and sons, Albert's two passions were collecting and preserving the history of the two Toronto neighbourhoods which he considered to be the most interesting and the most beautiful - Toronto Island and Wychwood Park. After considerable effort, he and Emily were successful of acquiring a house on Algonquin Island in 1980 and a duplex in the Park in 1982. For many years Albert opened the Toronto Island Archives to the public on Sunday afternoons and the Wychwood Park Archives on Wednesday evenings, and he published an 8-10 page historical quarterly newsletter of both neighbourhoods. Albert hoped that both of the vast collections would find homes in the proposed City of Toronto Museum.

Albert William married **Emily Van Der Vaart**. Born in 1937. Emily died in 2013; she was 76.

Emily Tatiana Fulton (nee van der Vaart) 1937 - 2013. After a long and brave battle with cancer, Emily passed away peacefully and surrounded by love on February 2nd in Toronto, at the age of 75. Dearly loved wife of late husband Albert and adored mother of Alexander and Nathaniel (Julia). Predeceased by parents Hubertus and Antonina and sister Nina. Soon after she was born in Indonesia the family moved to Holland where her father, an industrial entrepreneur, pursued business interests. Emily had many vivid memories as a young girl during the Occupation. After the war, the family moved to Ottawa, where Emily's father was a diplomat in the Dutch embassy, involved primarily in fostering trade between Holland and Canada, such as the entry of Heineken beer into the Canadian market. Emily had many amusing recollections of growing up, as her parents often entertained at home, and she met many people in political and business circles. Emily and Albert had a long and loving marriage. So many wonderful trips with the kids, sailing and motorhome adventures, treks to Europe, iceboating. She was a devoted homemaker, volunteer and sweet compassionate soul. Such a patient, generous and forgiving mother and wife. Mom had a delightfully dry sense of humour and always enjoyed a good story. She loved

cooking, gardening, old Hollywood movies and all things Dutch. Emily loved living on the Toronto Islands and being a part of many events, the garden tours, 'Strawberry Socials' at the Church of St. Andrew-by-the-Lake, and Albert's weekly archives open house. So many wonderful close friends and neighbours, especially Sandy and Vivian, longtime dear friends, who did so much to help Emily in these final years. And the Island community, so many people so generous with their time and efforts. This is a truly special group of people. Offering everything from a steady supply of delicious home cooked meals and helping with shopping to an endless stream of moral support. Her sons will be deeply grateful to the Island community for the rest of their lives. We are pleased to announce that a bequest is made to McGill University, establishing a Scholarship fund in the Faculty of Medicine in Albert's name.

- i. **Leslie Russell.** Born in 1939 in Stewiacke, Col. Co., NS. Leslie Russell died in Truro, NS, on 12 Aug 2025; he was 86.

Leslie Russell Mosher - 86, Truro, passed away peacefully, on his own terms, on Tuesday, August 12, 2025, at Colchester East Hants Health Centre, Truro. Born in Stewiacke to Walter and Lillian (Fulton) Mosher, Leslie's early education took place in a one-room schoolhouse where three grades shared a classroom. By the time his family moved to Truro, he was seven and already proficient in multiplication, division, and longhand — and ready to take on the world. Leslie was blessed with friendships that lasted a lifetime. His close-knit group gathered weekly for breakfast and lively conversation, celebrated birthdays, and travelled the world together — skiing in Switzerland, France, and Whistler, and once embarking on a memorable journey to Baffin Island with Rod McLellen & friends. At age 12, Leslie began working in his father's Canadian Tire store on Willow Street, assembling bicycles. He later earned a Commerce degree from Dalhousie University and returned to work full-time in the family business, which became a Home Hardware in 1973. He retired in 2019 at the ripe old age of 80. Deeply committed to his community, Leslie was a lifelong member of Rotary Club of Truro, serving as president and earning the Paul Harris Fellowship Award in 1993 (plus three additional recognitions). He handled the Club's finances for four decades until an accountant arrived — a development he greeted gleefully. Rotary House held a special place in Leslie's heart. During the 1980s and 90s, he also volunteered with Canadian Red Cross. As a young Boy Scout, Leslie and his schoolmates made countless memories. He served as Quartermaster for the Canadian Jamboree in Charlottetown and, at 16, travelled to Sutton Coldfield, England, for the World Jamboree. On their first night, he and his troop wisely pitched their tent on a hill. They awoke dry and well-rested — unlike the rest of the camp, which had flooded overnight. Leslie ran the store with old-fashioned values. His staff was instructed not to answer the phone while helping a customer — the person in front of you came first. Long-time patrons were greeted by name and, when needed, received home deliveries. Many returned for years, not just for supplies, but for the advice and familiar faces. After retiring, Leslie spent his summers at Shortt's Lake, enjoying swims, evening tennis with the late Dave Wilson, and cribbage games with his cousin, Laurie Fulton. He was surrounded by his "adopted family" — the Fulton cousins, Mildred, Kevin and Karen; sister, Heather, and Karen's children — who cared for him like a mother hen. His Truro family will miss seeing him out and about in his dilapidated red Home Hardware jacket. We'll all miss his sharp, dry humor — right to the end, he couldn't resist leaving his doctor with a parting joke. True to his nature, Leslie requested no funeral. As he often said, "I've been to so many funerals I don't dare send my only dark suit to the dry cleaners." A private gathering will be held later. Leslie is survived by sister, Alison Smyth and brother-in-law, Roger Crowther, both of Bridgewater; nephews, Jonathan Smyth, Panama; Jeremy Smyth, Florida, USA; cousins, Mildred and Heather Fulton, Kevin and Karen and sons, Aiden, Luke, and Neil McDonah; all of Truro.

great many years in Halifax. Each new place afforded her the opportunity to redecorate which was a source of great satisfaction and enjoyment. Rhoda was much loved by those who knew her. Her upbeat manner, great positivity and zest for life was a wonderful inspiration to many. She was well known for her marvelous sense of style, always with great attention to her appearance. Her nieces were summoned on many occasions to pop out and obtain that “just right” shade of lipstick or new hue of eye shadow. If we deigned to appear with the wrong shade, back to the cosmetic department we headed! In her later years, she was, without fail, mistaken for a woman many years her junior. She lived with a great sense of grace, tenacity and kindness towards other. Her faith was very strong and she had a very close connection to her church family. Many congregation members enjoyed several of her warm and embracing hugs on Sunday mornings in her role as greeter. The family wishes to express particular heartfelt thanks to the staff of Caritas Residence that Rhoda called home for the past nearly 3 years. In particular, we would like to thank Sally, Lenora, Shelly, Kim and Joselyn, whose care, compassion and loving nature provided a sense of happiness and contentment for her and the family. McPhee, Robert “Bob” - It is with great sadness that we announce the passing of Robert “Bob” McPhee, age 94, on May 29, 2024. Born in 1929 in West Gore, Bob was a son of Hope and Roberta, and one of nine siblings. Beginning in the late 1940s, Bob worked for approximately ten years constructing houses in the Port Wallace and Dartmouth area, including the original Mic Mac Tavern. For the next 25 years, he worked at Purdy Brothers as a carpenter and later as a foreman. Following his time at Purdy Brothers, Bob was employed by Veinot Construction until his retirement. However, this retirement lasted only six weeks as he did not enjoy the downtime and returned to work at the dockyard. After another unsuccessful attempt at retiring, Bob ended up doing handyman and carpentry work for Sullivan Apartments until he finally decided he was ready. Even during retirement, Bob enjoyed doing odd jobs around the house. He undertook a major project that continued for many years, stubbornly digging out the cellar by hand through dirt and rock to create an immaculate 24x10 workspace with headroom for tinkering. He was proud of his house renovations and called East Petpeswick his home for over 20 years. Bob loved music; he played the piano and guitar and was an avid fiddle player at local dances until he married. In his later years, he enjoyed listening to old-time music and dancing and was a regular at dances, fiddle competitions, and jamborees throughout the Maritimes with his partner, Glenda. He took great pleasure in talking with family, friends, and his morning coffee group at Tim Hortons. Bob’s storytelling and handiness will be greatly missed. He is survived by his children, Mike (Nancy), Danny (Darlene), and Velvet; his life partner, Glenda Jennings; her children, Darlene, Cheryl, Danny, and Anne; and many grandchildren, great-grandchildren, and great-great-grandchildren. It is with broken hearts that we announce the passing of Adam Douglas Lively, January 20th, 2025, at the age of 45, who needed to go home with his mother and father. Hope & Doug Roast. Adam is survived by his sisters and girlfriend, Adele Lively (George Welsh), Ashley Lively (Chris Raymond), Aaron Lively (nephew), Amber Raymond (neice) and Sara hopper (girlfriend). Adam touched the hearts of everyone that he knew. Everyone will remember Adam, and he will live on through all of us by the stories we tell about him and how he made us laugh. Even when he was having an off day, he still would make you smile. Adam was what the world needed he was kind and cared about everyone. He would light up every room he walked in, too. When Adam was younger, our family did a lot of camping. That was where Adam spent a lot of his younger life. And lots of stories can be told of that chapter of his life. The other big part of Adam's life was the construction life he lived. He spent a lot of years with Eastern Traffic and had a family that was so big. Everyone knew it was going to be a good day if Adam was on site. Adam hung up his red hard hat to see how good he looked in blue at Frontline. He also gained a family there, too. Adam is going to be missed dearly by everyone. Adam is gone too soon, but we know he is home now standing next to his mom and dad and his best friend Jeremy.
