Trimper Family of Annapolis County

Preface

I will begin by saying that I am not a descendant of the Trimper family. I am from Truro, Nova Scotia. My grandmother was a Wright from Elmsdale, her father was from Clementsvale and I have prepared genealogies of the Wright, Long and Milner families, from whom I do descend (at www.gofffamilyhistory.ca). There was considerable overlap with the Trimper's and as I continued my research, I carried on with a genealogy of the Trimper family as well.

I have reviewed all of the Nova Scotia Historical Vital Statistics for Trimper births, marriages and deaths. I also reviewed all of the available burial information at findagrave. I also made use of data at familysearch and from censuses. Sources are indicated below. I hope this sketch of the family will be helpful to others.

I had come across a citation, "The Descendants of Henry Trimper (2000) by Wayne Trimper" (#133iii, *Wayne*⁷, *Garnet Fletcher Hugh*⁶, *Harry Joshua*⁵, *George "Fletcher"*⁴, *John Henry*³, *John Conrad*², *John Henry*¹). Wayne passed away in 2020 and in his obituary was the following, "He was one of the organizers responsible for the Trimper Family Reunions and putting together the Geneology of the Trimpers, which gave him great pride and friendship. Hours and hours were spent organizing and compiling the tree and through that he became best friends with a group of cousins he never knew until he was older. Years ago he contacted the German Trimpers (Trumpers). His generosity caused quite a stir in their little town. He invited complete strangers to come to Canada. When they asked how much things would cost, he said it would cost them nothing once they got here. This was unheard of in a small community in Eastern Germany and the town was aghast. They bravely came to Canada and Dad and the rest of the Trimper's welcomed them into the family. Many trips followed with other family members coming as well, forming a very special bond. He thought of them as immediate family and just loved being their tour guide and friend. A lifetime of memories was created."

Subsequent to the first edition of this report, Lynn (White) Corbett contacted me to tell me that Wayne had passed the Trimper Genealogy Project on to her and she now maintains the database of Trimpers, the latest printing was in February 2025. Lynn's mother was Mary (Trimper) White, #92, (*Mary*⁵, *Harold*⁴, *Charles Wallace*³, *William Henry*², *John Henry*¹). So for further details on this family project, please contact Lynn, email: lynncorbett195@gmail.com .

Trimper Family of Annapolis County

First Generation

1. Johann Heinrich Troemper / John Henry Trimper. Born on 25 Jun 1753 in Bebra, Hersfeld-Rotenburg, Hessen, Germany. John Henry died in Waldeck West, Annapolis Co., NS, on 13 Jun 1839; he was 85.

Johann Heinrich Trömper (or Troemper) / John Henry Trimper was a disbanded Hessian soldier who fought in the U.S. for the British during the Revolutionary War. He arrived in Nova Scotia probably late in the year 1783.

Henry Trimper's Property

Henry drew Lot 44, a 200-acre lot at the eastern end of the Hessian Line, which today would be at 3930 Clementsvale Road. Whether he ever settled on the lot is unclear, as he sold it to Jonathan Millner for 6 pounds in January 1793. He bought the 100-acre Lot 6 in the Waldeck Line on September 1, 1794, then six years later bought Lot 7 next door. In his will, Lot 6 was to go to his son Charles and Lot 7 was to be equally divided between his sons William & Frederick (Lois Jenkins).

The history of the Waldeck Settlement in Nova Scotia can be found at, Brian McConnell, "The Waldeck Settlement in Nova Scotia," Historic Nova Scotia, accessed January 1, 2026, <https://historiconvascotia.ca/items/show/192>.

From Calnek and Savery, History of Annapolis County, 1897, "Two settlements, the Waldeck Line and the Hessian Line (now Clementsvale), were originally begun by the disbanded Waldecker and Hessian soldiers, who sought refuge here at the close of the Revolutionary War, after the peace of 1783. These settlements are formed on lines parallel to each other and two miles apart, their direction being nearly east—west, and are still, in part, cultivated by their descendants, who are now scarcely distinguishable by the other inhabitants by language or custom. Intermarriages with the settlers of British origin have been constant and common."

Waldeck, a former principality in present-day Hesse and Lower Saxony, maintained a militia for foreign service and supported King George III with 1200 soldiers during the American Revolution. Waldeck soldiers served alongside those from Hessen-Kassel, together they were known as the Hessians. Altogether there were some 30,000 Germans fighting in the American Revolution, most in the colonies but some deployed in Canada.

In the 1827 Clements Township census, Henry Trimper was listed as a Church of England farmer with 4 males and 4 females in his household. He had 15 acres under cultivation, 15 in pasture, had grown 20 bushels of grain (other than wheat), & 100 bushels of potatoes; had cut 10 tons of hay. For livestock he had 10 cattle, 10 sheep and 4 swine. In the 1838 Clements Township census, listed as John Henry Trimper, farmer, he had three males over age 14 (Charles, William & Frederick) and two females over 14 (Hannah & wife Catherine) in his household, plus himself. John Henry married **Catherine Boutilier**. Born on 24 Jul 1763 in Lunenburg, NS. Catherine died in Waldeck, Annapolis Co., NS, on 27 Apr 1849; she was 85.

It appears John Henry Trimper was single at the time of the creation of the grant for Clements Township, Annapolis County, on 20 February 1784 (allotted 100 acres), and married at the time of the Muster Roll taken at Annapolis in June 1784 - "Henry Trimper, one man, one woman, discharged soldier, not settled". It is likely he married the daughter of one of the other soldiers or perhaps the widow of one of them. (Lois Jenkins)

Trimper Family of Annapolis County

Jacob may be a son or a brother of Peter. There was 21 years difference, so could be either. In his marriage in 1825, he was named as “Jacob Jr.”, although this is not seen in any other records. The Long genealogy (Long and Davis, 1987) records this Jacob but without confirmation of relationship to Peter. However, they also list a Jacob as a son of Peter, with no further information.

1871 census Hessian Line Long Jacob 63 Rachel 48 Zuraah (F) 35 Alden 10 Jane 6.

1881 census Hessian Line Long Jacob 71 Rachel A. 63 Zarie (F) 47 Aldin R. 20 Jane E. 16.

Charles Trimper (Set. 12, 1842-Nov. 11, 1921), for years the Clementsvale postmistress; Jacob Allen, b. 15 Feb 1843, d. Nov. 16, 1863, age 29. The names of Anna Catherine and Hannah Maria Faith came from Beulah Wright.

*Martha was the grandmother of Wellington (“Wellie”) Brown of Spring Hill, Annapolis Co., a well-known sports guide in the area. He had a large cooking pot which he claimed the first Long’s brought with them from Holland, which may fit in with Chute’s listing of John Jacob Long as being from Prussia, and census records of family origins as German. Wellie remembers his grandmother Martha had a brother John who had gone to the United States. He remembered his Uncle’s visits to his N.S. home.

Rachel, Alden and Jane are a second family. Alden is named as son of Jacob and Ann (NSHVS), but he was born in 1860, so must be Rachel Ann Simmons rather than Ann Trimper.

John Trimper of Waldec Line, near Bear River, who was subject to fits of temporary insanity, started out on Monday, 6th inst., with the intention of committing suicide. On Friday last, as the brig. "Myrtle" was coming through the draw at Victoria Bridge, Mr Miller, the owner, on looking over the side discovered the body of a man lying on the bottom; on bringing it to the surface it proved to be that of Trimper. The body was buried on Sunday. It is reported that a few days before his death he received a severe thrashing from some of the neighbors, and being unable to obtain any redress was driven to this act. If this is true, the scoundrels who committed the outrage should be severely punished, as the man had but one arm and was unable to defend himself. A large scar was found on the back said to have been received from the boot of one of his assailants. – Digby Courier (Weekly Monitor, Bridgetown, June 22, 1881)

"John R. TRIMPER of Waldec Line, in 26th year, was buried 12 Jun 1881 'body buried in the field by their house ... Pine's Chapel'" (St. Clements Parish Register vol. 3, page 52, no.414).

Jane Marie Hanshaw Obituary. It is with great sadness that the family of Jane Marie Hanshaw, age 59, of Bear River, announces her passing on Wednesday May 18, 2016, at Digby General Hospital. Born on March 18, 1957, she was a daughter of the late Gerald Trimper and Patricia Lombard (Fred). Jane's love for her family was immeasurable, and she was very proud of her son, James, and her three grandchildren. Jane was a special person with a wide circle of friends and stores to tell as knitting needles caste off endless patterns with creative designs and colors. Sometimes even with her eyes closed. As handy as she was with wool, she was just as talented with a ceramic paint brush or a set of ledger books and an extra-large numbered calculator to compensate for her visual impairment. Even so, as in true Jane style, she let little hold her back and prepared tax returns and bookkeeping services for most of her friends, neighbours, family and even strangers who instantly believed in her competence. Jane had Revenue Canada's number memorized and they surely knew her by the sound of her voice – always polite yet very sharp. In true Janey-style humor, she'd say; "God made up for my figure by putting figures in my head." A wonderful baker, pickle & jam maker and everyone loved her pies! Jane did a variety of work but loved talking about the days she and Fran Fetter worked on silk designs for Axent on Silk – always hoping one day to batik again. Jane volunteered for everything – Beavers, Cubs, fundraisers of every kind, CNIB, community events, Craft Shows, Spring Flings, selling tickets to help others and not only gave her time freely but often her money from the sale of her handworks & baking. She was a dedicated Bear River Legion Auxiliary, Fire Department Auxiliary and Area Lions Club member for as long as she was able. This unique and talented woman had heart for her community but nothing compared to how she felt about her son, Jamie, and her grandchildren. They were her pride and joy – her greatest accomplishments in loving. Jane's generous, kind, loving and caring spirit was known to all who had the privilege of coming across her path – making her unforgettable, a true angel who has now gone home. She is survived by her husband, Bruce, Greenland; son James (Jessica), Deep Brook as well as grandchildren, Kirklynd, Zoe and

- i. **Brian Timothy.** Born on 17 May 1961 in Digby, NS. Brian Timothy died on 1 Jul 2025; he was 64.

It is with deep sorrow and broken hearts that we announce the sudden passing of Brian Timothy Trimper, age 64, and his beloved wife Judy Pauline (Lincoln) Trimper, age 63, who passed away together unexpectedly on July 1, 2025. Married for 40 beautiful years, and together for nearly 45, Brian and Judy lived a life grounded in love, faith, and unwavering devotion to each other, their family, and their community.

Brian was born on May 17, 1961, in Digby, Nova Scotia, the proud son of the late Carl and Vera Trimper. Known for his strong work ethic and mechanical skill, Brian spent many years in the logging industry, beginning with his brother Jack, then Harold Clapp, before returning to work with Jack again. He later joined J.D. Irving, where he began as a log truck driver and rose through the ranks to oversee woodworking equipment, earning respect across the industry. After many dedicated years, he transitioned to Elliot Excavation, where he

Trimper Family of Annapolis County

worked for nearly 12 years. Retirement didn't slow Brian down—he channeled his talents into building his own business, Brian Trimper Welding and Fabrication, where he could be found hard at work, often with Judy by his side. Judy was born on April 12, 1962, in Wolfville, Nova Scotia, the cherished daughter of the late Bryce and Thelma Lincoln. She had a long and successful career in retail and banking, beginning at the CFB Cornwallis Canex, and then moving to RBC, where she worked in both the Cornwallis and Digby branches for over 20 years. After retiring from the bank, she found a new calling as Aquatic Director at the Fundy YMCA, where she developed a passion for AquaFit, helping those with arthritis and other mobility challenges. Never one to sit still, she later taught line dancing, choreographed her own routines, and eventually became Brian's "little helper," assisting with the family welding business and managing the books.

Together, Brian and Judy built their life from the ground up—literally. They constructed their own home, raised their children with love and faith, and cultivated a life filled with joy, simplicity, and partnership. Their love was evident in their daily traditions, like Sunday date nights with Chinese food, and the quiet ways they supported one another's hobbies and passions.

Brian was an avid outdoorsman. He loved hunting, fishing, canoeing, boating, snowmobiling, and riding 4-wheelers and motorcycles. He took immense pride in maintaining their beautiful property and could often be found working on his lawn or tinkering in his workshop.

Judy's creativity shone through her many hobbies—rug hooking, crocheting, knitting, and tending to her vegetable and flower gardens. She especially loved beachcombing for sea glass, transforming her finds into cherished keepsakes for their home. One of her greatest joys was spending time with her daughter, particularly on their adventures to Frenchy's.

Together, Brian and Judy shared many of their favorite pastimes. Whether exploring back roads on the 4-wheeler, taking motorcycle trips along the South Shore, or simply enjoying quiet time on their property, they were true soulmates—each other's best friend and constant support.

They are survived by their loving daughter, Kathleen "Kati" (Jason) Guest, and are predeceased by their cherished son, Benjamin Timothy Trimper. Brian is also survived by his brothers, Clarence (Margie) Trimper and Jack (Lisa) Trimper. He is predeceased by his sisters, Beverly and Patricia in infancy, his great-nephew Ezra Trimper, sister-in-law Sandra Trimper and parents Carl & Vera Trimper.

Judy leaves behind a large and loving family, including siblings Wayne (Valerie) Lincoln, Mark Lincoln, Nancy (Randy) Mullen, Karen (Darren) MacLeod, Glen (Susan) Lincoln, Deborah (Linus) Hannam, Sharon (Joe) Lincoln, Paul (Shelley) Lincoln, Wendy (Trevor) Robar, sister-in-law Linda Lincoln, and brother-in-law Randy Farrell. She is predeceased by her sister Brenda Farrell, brother Brian Lincoln, niece Tina Lincoln and parents Bryce & Thelma Lincoln.

Brian and Judy will be deeply missed by their many nieces and nephews; great nieces and nephews, aunts, uncles, cousins, their fur-grandbabies Ranger, Stella, Sadie, Macy and their beloved chicken "girls" Scarlet, Hettie, Etta-May, and Nellie.

They were each other's home, and their love and legacy will live on in the hearts of all who were blessed to know them.

Alan Rodney Trimper, a mostly quiet and unassuming man, passed away May 21, 2024 - on his 71st birthday. His impact on those around him went well beyond those simple adjectives. Alan was much loved in his roles as husband, father, grandfather, brother, and uncle. Over the years, he enjoyed being a pilot, a golfer, a fisherman, a backwoods explorer, an athlete, a woodworker, and a traveller. He was a loyal friend, and an all 'round great guy. In his 50 years of accounting practice, he could be relied on for his integrity, compassion, and professionalism. In the presence of that mutual respect and trustworthiness, he often found himself in the privileged position of personal confidant, therapist, advisor, coach. He proudly assumed each of these interactions with care and respect, and many clients became life-long friends. As a husband, Alan was loving, kind, and patient. His love and affection always so apparent. He loved to sing, often breaking out into serenade. He had recently become very good at baking bread, and always enjoyed slow Sunday mornings doing the New York Times crossword in bed. He loved spending time at Baillie Lake with Aileen and Viva (their vibrant little pup, whom he adored), especially sitting on the dock, taking in all the beauty that the cabin had to offer. He loved travelling and would take any opportunity to chase warmer climates. The love Alan offered was beautiful and unconditional. He truly was a good man. Friends and family were fortunate- Alan was fun-loving and adventurous; a joy to be around. He was quick to joke, and he enjoyed the wit and humour of others. He had taken a leap of faith after a brief and intense battle with cancer; he was on his way to fight for his life. What a beautiful thing, to have a life so worth fighting for that you can find comfort and peace in taking big risks. Alan had exactly that, a life surrounded by so many

Over his career he worked as a butcher taking over the family business; he drove a tow truck for Potter's Auto Salvage; worked a couple years with MacIsaac Drilling then worked at Wilson's Gas in Bear River until his health started to decline. He loved his family and adored his grandchildren, Hannah, Ayden and Steven. Aug. 14, 1932 in Greenland, NS to the late Ethel (Buckler) and Harold Trimper, the eighth of eleven children. She is survived by brother Dennis Trimper, and predeceased by brothers, Lawrence, Clyde (infancy), Lewis, Don, Willis, Wilbur, Shirley; sisters, Olive and Helen. She lived her adult life in Waterford, Digby Neck, where she and Freddie raised their family, John, Brian, Lynn and Cathy. After her Freddie passed in 1987 she continued to ensure her family stayed close and connected. She was our Matriarch. Mary was a proud mother, grandmother and great grandmother. She adored her grandchildren, Cathy Lynn, Adrienne, Sarah, Emily, Jonnie, Jason, Timothy and her great grandchildren, Oakley, Omri, Iris, Fernie, Ramsey and Bennett. Mary loved to socialize, she taught us how important family and friends (and food) are. She would sit down to a Paddington Bear tea party with a toddler, whip up a turkey dinner or arrange a beach picnic, anything to bring us together. Whenever there were family and friends it was an occasion to celebrate. If you dropped by her home, you wouldn't have your shoes off and she would be preparing food. Her baking and cooking were famous. The cookie jars were always full. For many years; in all weather, Mary walked. She walked a lot. She certainly holds the record for walking Seawall Hill. She would say her day wasn't complete without her walk. Mary's faith was sewn into her very being. Her worn bible a constant comfort and going to church with Nellie and David the highlight of her week. She loved her church, her ministers, and most of all the church social times.

Mary Catherine married **John "Frederick" White**. Born in 1928. John "Frederick" died in 1987; he was 59.

They had one child:

- i. **John Frederick**. Born on 3 Jan 1954. John Frederick died on 27 Aug 2020; he was 66.

John worked for years in the fishing industry doing everything from fish dragging, lobster fishing, hand lining and weir fishing. He spent many summers in Sandy Cove entertaining tourists, family and friends who would stop by the camp to see him. Many magical summers were spent on the beach with him. His love for people and being on the water led him to a fulfilling job working on the Digby Neck and Island Ferries. Big John was a hilarious story teller. He was an avid reader with an interest in world history and events. He loved playing 45's, being in the woods, gardening in the summers and splitting kindling in the winter. To meet him was to remember him. To know him was to love him. He was larger than life. We are left with a huge void in our hearts that will be filled by the great lifetime worth of love, laughter and memories we shared with him and he did it all his way.

William F. Hobbs, Oct. 25, 2004

For a 25th Reunion yearbook, William "Bill" Hobbs wrote, "I have known more of joy than of sorrow, of pleasure than of pain, of laughter than of tears. I have been moved by a religious vision of shalom and a divine-human hope of community. I have invested self and resources imperfectly in struggles for justice and liberation. I have been disillusioned by the strength of greed and fear that disrupts life and deflects potential; but in the face of all evil I affirm life." He was a philosophy major at Bates, earned a bachelor of divinity degree from the Chicago Theological Seminary, and a Ph.D. from the St. Andrew's University in Scotland. An ordained minister in the United Church of Christ, he served in several churches and as director of the Craigville Conference Center on Cape Cod before finishing his career of ministry at Spring Glen Church in Hampden, Conn., where he was retired senior minister and pastor emeritus. Soldiers' Memorial Hospital, Middleton. Born in Graywood, she was a daughter of the late Harris and Daisy (Wright) Sibbins. Elsie retired after working many years with the Laundry Department at Soldiers' Memorial Hospital, Middleton. She had a love for rug hooking and loved her family dearly. Elsie was a wonderful Mom, Grammie and Great Grammie who was always there for us and always loved us, no matter what. She was a very giving person; expecting nothing in return. She very much enjoyed her independence and we are so thankful that she never had to give this up. She had a memory unsurpassed by none. She was our "go-to person" for dates and family history, not only for her own family but for our Dad's as well. She had a great sense of humor and loved to be teased. Elsie will be sadly missed by all who knew her. Gertrude Miriam Benson passed away on Saturday, November 22, 2025 in Digby General Hospital. Gertrude was the daughter of Loran and Mildred (Wright) Potter. She was born on January 17, 1941, in Annapolis Hospital. In 1962 Gertrude married Bob Benson of Bear River where they have lived for the past 63 years. She began her official working career as a telephone operator in Bear River followed by supporting her husband in several businesses and ventures. This included the Packett Restaurant, Bear River Home Furnishing LTD, gift shop operation and Churchill Mansion Country Inn for 28 years. Gertrude was also employed by Bear River Frenchy's later becoming the owner. She also operated Yours and Ours Dress Shop in Bear River. Her main enjoyment was cooking. Gertrude was a member of the Bear River Baptist Church, she also served on the executive of Bear River New Horizons and the Bear River Board of Trade. Gertrude is survived by her husband, Bob Benson of Bear River; granddaughter, Destiny Lejoure and great-grandchildren, Orianna and Lyshaud Lejoure all of Edmonton, AB; brothers, Harley (Faye) of Virginia East, Harry (Tanya) of Greenwood and Ross (Susan) of Cornwallis Park. She was predeceased by her sister, Margie Cooper (late Ron); her son, Peter Benson; her brother, Philip Potter and her nephew, Bradley Potter.

- v. **Margaret Ann.** Born on 3 Aug 1945 in Digby, NS. Margaret Ann died in Digby, NS, on 27 Apr 2022; she was 76.

Cooper (Potter), Margaret Ann of Digby passed away suddenly April 27, 2022 in Villa St. Joseph du Lac near Yarmouth. Born in Digby on August 3rd, 1945 she was the daughter of the late Loran and Mildred (Wright) Potter. Margie will be sadly missed by her two sons, Ron Jr., Rob (Joanne); grandchildren, Amanda (husband Sean), Megan (life partner Amanda), Dylan and Brendon; great-grandsons, Benjamin and Aiden. She loved her family and often said that she had the most wonderful sister and brothers. Her older sister Gertrude Benson (Bob) of Bear River was nicknamed "Gee" by Margie as a child, a name that has stuck. Her brothers, Harley (Faye) of Virginia East, Phil of Bear River, Harry (Tanya) of Kingston, Ross (Susan) of Cornwallis Park, will miss her as well. Her sister-in-law Lynn Milbury (late Les) of Digby will especially miss her close friendship, more

Trimper Family of Annapolis County

like "sisters" than in-law. She is also survived by many nieces and nephews. She was predeceased by her best friend and loving husband of almost 50 years in 2013 and she missed him dearly. He was her rock. Family and friends meant so much to Margie. If you became friends, you would be a friend for life. Wives of Ron's former navy buddies, Marg Banman, Marlene Chase and Gwen Lord still kept in touch. The same goes for her RBC "family" as she treasured those working years. She appreciated their calls and cards after she retired in 2009 and liked being remembered by her former clients. She made new friends too through the New Horizons Club in Bear River and enjoyed their social activities. She was a big Elvis fan, yes, Elvis. A highlight of her life was when she and Ron toured Graceland in Memphis, Tennessee in 2001. She enjoyed many other trips with Ron as the pilot in his plane- all detailed in her journals. Together they flew across Canada and went to the US several times. Their last big trip was to Cuba, her first all-inclusive vacation at a resort and she loved it. She was a woman of simple tastes and pleasures. She loved a good book, her garden, liked to bake but still enjoyed going out for Sunday breakfasts before church. She loved Nova Scotia and often marveled at its beauty while out for a drive. Her favourite television programs "Wheel of Fortune" and "Jeopardy" were usually followed by her nightly call to chat with her dear sister Gee before settling down to bed.

- vi. **Philip Leroy.** Born on 4 Sep 1951 in Annapolis Royal, NS. Philip Leroy died in Bear River, Digby Co., NS, on 18 Jul 2025; he was 73.

The family of Philip LeRoy Potter, 73 of Bear River, is sad to announce his passing on July 18, 2025, in the Yarmouth Regional Hospital where he had been recently transferred after being in the QE II Hospital in Halifax for two weeks after suffering a heart attack. Born in Annapolis Royal on September 4th, 1951, he was the son of the late Loran and Mildred (Wright) Potter. Phil, as he was known to his many friends, was a kind, caring and quiet, easy-going man. Until just recently you might have seen him as he made his daily walk to "town". He was an associate member of the Bear River Legion where he will be well-remembered. He was a fixture of Bear River, living in the area his whole life. He was an avid reader, both fiction and non-fiction. The Toronto Blue Jays were his team to support. He would be so pleased to know how well they are doing now! He always attended the Cherry Carnival and could be seen around town talking to his buddies. His working career started as a teenager with Clyde Baltzer's Garage in Annapolis Royal. For a number of years he worked for Trynor Construction burying communication cable all over Nova Scotia. He also worked building homes for Bear River Furnishings in the area and later as a construction worker with DJ Lowe. Phil is survived by his son Craig (Trudy Trimper) and grandchildren Ethan, Emma and Evan who affectionately called him "Baucha", their version of Grandpa. His beloved cats Heidi, Samantha, Sam and Sophie were so special to him and got the best of care. His best friend Greg Ellis said that he cared for Phil like a brother and it was evident that the feeling was mutual. Also surviving are sister Gertrude (Bob Benson) of Bear River, brothers Harley (Faye) of Virginia East, Harry (Tanya) of Greenwood and Ross (Susan) of Cornwallis Park and Craig's mother, Karna (Titus) Wright (Pat) of Smith's Cove. His nieces and nephews who loved their Uncle Phil will miss him. In addition to his parents, Phil was predeceased by his sister Margie Cooper (late Ron), nephew Bradley Potter and long-time friends Wayne and Ronnie.

- iii. **Wayne**. Born on 8 Jun 1942 in Middleton, NS. Wayne died in Nictaux, Annapolis Co., NS, on 31 Jan 2020; he was 77.

TRIMPER, H.O. Wayne ~ age 77 of Nictaux, NS. We are so heartbroken and

Trimper Family of Annapolis County

shocked to announce the death of someone who meant so much to his family and friends. He went into the hospital on Christmas Eve because of a recently discovered leg tumor and even though he fought hard, he wasn't able to come home where he wanted to be with everyone he loved. He passed away on Friday, January 31, 2020 in QEII Halifax Infirmary surrounded by his loving family. Born in Middleton, he was a son of the late Garnet and Nora (Demmings) Trimper. Wayne retired after 20 years with the Royal Canadian Air Force where he worked as a mechanic. He was able to move his family to Germany twice and he loved every minute of it. He had great pride in his certificate showing that he was the 28th person at CFB Lahr and used to tell so many stories of helping to establish the base. We travelled extensively and he made friends wherever he went. While in the military he played for their volleyball and badminton teams and travelled through Canada and Europe doing what he loved. He played volleyball for years later, taking great pride in beating the pants off kids who were decades younger than him. In 1981 he took a day off and then started at Michelin, where he ran the maintenance shop working with the forklifts. He was the guy at Michelin that everyone called on to get things fixed, forklift or office chair it didn't matter. While at Michelin he designed a new set of forks for Caterpillar forklift that allowed Michelin to stack tires differently, saving them millions in the first year alone. He also came up with a clever idea for identifying the tires, a stacker system. Plexiglass and tennis balls...but it worked like a charm. He used to always tell people he had never been late to work and never had a sick day, ever. He'd probably like to be remembered for that, but we'll always remember him for eating the same lunch every day at both jobs. The famous white bread, kraft singles cheese slice and mayo. Did I mention it was every single day? After 27 years he retired from Michelin. He needed his free time at that point to spend with his pride and joy, his grandson Coletyn. He was a busy man, being a member of the Eden Golf and Country Club, Mid-Valley ATV Club and the Order of Good Cheer. He golfed whenever he had a chance...far too often he would be out there in the snow. By June 2nd last year he already had 42 games in, until the tumor made it impossible to continue. In the later years he discovered four wheeling and he spent much of his time helping out others (shock/surprise). He was constantly out grooming trails and fixing bridges. He could out work guys in their thirties. He was one of the organizers responsible for the Trimper Family Reunions and putting together the Genealogy of the Trimpers, which gave him great pride and friendship. Hours and hours were spent organizing and compiling the tree and through that he became best friends with a group of cousins he never knew until he was older. Years ago he contacted the German Trimpers (Trumpers). His generosity caused quite a stir in their little town. He invited complete strangers to come to Canada. When they asked how much things would cost, he said it would cost them nothing once they got here. This was unheard of in a small community in Eastern Germany and the town was aghast. They bravely came to Canada and Dad and the rest of the Trimper's welcomed them into the family. Many trips followed with other family members coming as well, forming a very special bond. He thought of them as immediate family and just loved being their tour guide and friend. A lifetime of memories was created. He loved his girls. We will forever be grateful for all that he did for us. I could have

Trimper Family of Annapolis County

called him in the middle of the night with a flat tire in the city and he would have come up to fix it for me. No questions asked. Maybe poke a little fun at us or give a little lesson on how to do it ourselves, but he was there no matter what. He was the first call you'd make with any question or looking for advice. He could do anything in our eyes. His generosity was unfaltering and all of us have a thousand stories about that. I know all of the cousins can tell stories, but there are equally the same amount of friends and neighbors who can say the same thing. It's the first thing that every person said to us when we shared the news. He was amazed by the love shown when he was sick. It brought him to tears every time we told him that someone contacted us, called or was coming to visit. He wanted to have a celebration when he got home. He wanted to thank everyone personally. It's all he thought about when he was sick. It's so heartbreaking to have it without him, but we'll do our best. I think his greatest pride and joy was his grandson Coletyn. I'm sure there was no one who knew him that hadn't heard a story or two about Coletyn. They were inseparable. He couldn't go more than a few days without seeing him. He went to all of his hockey games and took a big part in his BMX shows. He was the Cool Moves BMX Pit Crew Chief. Setting up the ramps wherever they had a show or a practice. We will forever be grateful that Coletyn is old enough to have such great memories of him. Dad was a funny guy with a big, huge heart. He touched people even in the worst of times. He made special friendships even in the hospital. The nurses and staff at the Infirmary just loved him and tears were shed by so many. Thank you for all that you did for him. Thank you to Kirk Lewis, Shaun, Honey, Serena and too many others to list. His friendships truly lasted a lifetime. His best friend through life was his sister Kaye and her husband Bob and Veronica and her husband Corey. So many of his cousins were like brothers/sisters to him. His family won't be the same without him. Thank you to Stan Parsons and Larry Taylor for stepping up when he needed you so much. Your friendship meant so much. Thank you to Shannon Scott for being there for him at the end. There was always room for more family and he thought of Mark and Kim Dondale as part of his. Mark was like the son he never had. Shannon Jones will always be part of the family as well. Wayne will be sadly missed by all who knew him. He was one of the truly great guys and his generosity and humor was with him to the very end. He will be remembered by all who knew him as the guy that was always there to lend a hand and make you laugh. He is survived by his wife of 54 years, Gaye; his daughters, Dana, Halifax and Tina, Nictaux and his grandson, Coletyn; his sister, Kathleen "Kaye" Morrell, Nictaux and several nieces and nephews. Besides his parents, he was predeceased by his sister Veronica Cole and Lester in infancy.

He had quite a collection of Husqvarna power saws; every one running tip top and sharp as razor. People brought their dull or broken saws to him to repair. Surviving besides his parents, are his son, Noah Trimper, daughter Alea Trimper, both of Halifax; brothers, Robert (Candy) Trimper, Calgary, Stephen (Cassandra) Trimper, Torbrook; two nieces, Jordyn & Hailea.

Boy, 14, dies after falling from cliff. DIGBY, N.S. – A 14-year-old boy is dead after falling from a 25-metre cliff overlooking the ocean while throwing rocks with a friend. RCMP said Keith Trimper and a friend were riding all-terrain vehicles near Rossway on Thursday afternoon when they stopped near the cliff's edge. Soft ground gave way beneath the boy and he fell to the rocky shore below. "It was just one of those accidents," said Lee Wentzell, deputy chief of the Digby Neck Fire Department. "They tell me they were throwing rocks off the cliff, which you know they would do. On Friday, Joel Graham went to jagged cliff face on St. Marys Bay to see the spot where his friend died. "They just wanted to see where Keith fell over," said Troy Gidney, Graham's father. "He was one of the most mild kids. It's unbelievable." After Trimper fell, his 14-year-old friend jumped back on the ATV and drove to a neighbouring house to call for help. Paramedics worked to save the teenager, but he was pronounced dead on arrival at Annapolis Royal Community Health Centre.

The following person is unplaced:

Jenny Lou Trimper, 1953-2022. April 16, 1953 was a Thursday. On that day, God chose to bless Claude and Mary O'Neill with a beautiful baby girl named Jenny Lou. And so, her story begins. She and her siblings Linda, Alan and April, made up a full house in Plympton, Digby County. As they each grew and had their own families, many happy gatherings brought them all together with music, meals and memories that become more and more treasured with the passing of time. August 28, 1971, was a Saturday. On that day, Jenny Lou joined **Seldon Charles Trimper** and the next chapter in her story was her very favorite. Together, the two teenagers forged ahead to face whatever life sent their way. And what an amazing adventure it was. They set up temporary housekeeping in various places but finally settled in Culloden to build a full family life and later their dream home. January 21, 1972 was an unexpected Friday; with the very early arrival of Sherry Lynn. Eleven years later, February 16, 1983, was an exciting Wednesday morning, with the fast but very anticipated arrival of Elisabeth Rebecca. Her girls were her babies every single day of her life. Over the years, all the nieces and nephews also arrived – Jenny loved them all with a strong and protective nature and took every opportunity to "mother" them along their way. Her 'kids' also included seven years of being a foster parent and she especially cared for and has continued to maintain contact and support to her 'son' Jeff, of Saint John, NB, for the past 30 years. It is hard to put into words the level of joy that Jenny experienced when she became Nana. Jeremy (Mercedes) started this chapter in her life in 1995, followed by Jared in 1999 and Jacob in 2005. Becoming Great Nana was an additional thrill, starting with Trace in 2018 and Maci in 2020. Jenny worked in various jobs, for short periods of time, over her lifetime. However, her heart was set for home and that was where she was in her element; the very definition of homemaker. She welcomed everyone who came through the door with open arms and as much hospitality as she could rustle up. She had the ability to make the most mundane ingredients look like a feast. If you were blessed to be part of Jenny's circle, you were blessed with a friendship of the truest kind. You could count on being cared and prayed for with an unending genuine concern. And this friendship was most exemplified in her lifelong comradery with Edith Melanson whose last visit had to be a one-sided conversation, yet certainly just as important and appreciated. As important as her family and friends were, they pale in comparison to her faith. There was nothing more precious to her than her testimony of faith and salvation. She would be the first to say she was unworthy of such a gift – we would be the first to say that is untrue. It didn't matter what issue you had; she always found a way to point you back to the Lord as the answer. She didn't think she had a good voice but the sound of her humming and singing hymns around the house is one of the sweetest sounds God gave. August 25, 2022 was a Thursday. That is the day God chose the ending for Jenny's earthly story.
